If Melbourne has a hidden jewel suburb, it must be Kew. Long established, known for grand estates and premium living, this elite suburb literally has it all - beautiful tree-lined streets, lush parks and reserves, not to mention the world class schools and incredible shopping precincts. And now within Kew another jewel - Lavalier.

Lavalier offers a set of luxury residences designed to complement the life Kew is known for. Smart, stylish and perfectly located, come experience this jewel within a jewel. Lavalier presents a considered, alternate take on shared residential living. The residences are unique and carry their own sense of space, yet outwardly Lavalier appears as a grand home, a nod to the neighbouring houses in stunning Kew.

Every surface, every fixture and fitting, every space - Lavalier is a study in holistic design. Each room has been designed to deliver seamless living experiences, and together the materials and design decisions create an atmosphere befitting a luxury home in one of Melbourne's premier suburbs.

Kew has some of the finest shopping experiences in Melbourne. The heart of it all
